

SUMMARY OF PERMITTED USES UB -- M-2 DISTRICTS

See Chapter 114, Zoning, for complete provisions

KEY: X = Permitted without plan of development (POD) or conditional use permit

P = POD required (except for any use subject to location, character and extent approval by the City Planning Commission per City Charter requirements)

C = Conditional use permit required

(1) POD required for any new building or addition occupying >1000 sq. ft. lot coverage

(2) POD required for any new building >50,000 sq. ft. floor area, and any new building or addition > 1000 sq. ft. lot coverage and where vehicular circulation is provided on site

In the B-7 District, certain uses having frontage on designated streets require a conditional use permit

(3) POD required for any newly constructed building with >50,000 sq. ft. floor area

(4) POD required for any new building >50,000 sq. ft. floor area, and any new building or addition where vehicular circulation is provided on site

(5) POD required for new building or addition > 45' height

(6) No newly constructed building shall contain more than 10,000 sq. ft. floor area; not more than 2 delivery vehicles nor any vehicle >6500 lbs. empty weight

(7) See "use limitations" along a public mall or plaza in CM & DCC district regulations

(8) Table represents only those uses carried over from B-3 District. B-3 prohibition of outside uses not applicable. See M-1 & M-2 regulations for additional permitted uses

Permitted Use	District (see key)

SUMMARY OF PERMITTED USES UB -- M-2 DISTRICTS

See Chapter 114, Zoning, for complete provisions

KEY: X = Permitted without plan of development (POD) or conditional use permit

P = POD required (except for any use subject to location, character and extent approval by the City Planning Commission per City Charter requirements)

C = Conditional use permit required

(1) POD required for any new building or addition occupying >1000 sq. ft. lot coverage

(2) POD required for any new building >50,000 sq. ft. floor area, and any new building or addition > 1000 sq. ft. lot coverage and where vehicular circulation is provided on site

In the B-7 District, certain uses having frontage on designated streets require a conditional use permit

(3) POD required for any newly constructed building with >50,000 sq. ft. floor area

(4) POD required for any new building >50,000 sq. ft. floor area, and any new building or addition where vehicular circulation is provided on site

(5) POD required for new building or addition > 45' height

(6) No newly constructed building shall contain more than 10,000 sq. ft. floor area; not more than 2 delivery vehicles nor any vehicle >6500 lbs. empty weight

(7) See "use limitations" along a public mall or plaza in CM & DCC district regulations

(8) Table represents only those uses carried over from B-3 District. B-3 prohibition of outside uses not applicable. See M-1 & M-2 regulations for additional permitted uses
