

**GAS RATE SCHEDULE
EFFECTIVE JULY 22, 2019
SCHEDULE CIS
Large Volume General Gas Service**

APPLICATION:

The following rates and charges shall apply for gas furnished to customers qualifying for large volume general gas service:

MONTHLY RATE:

Customer Charge (Readiness to Serve) \$142.41 per month

Demand Charge (per month) \$14.04 per Mcf

System (Distribution) Charge \$3.15 per Mcf

Gas Commodity (Purchased Gas Cost) Charge

This charge is for the costs associated with purchased gas or any gas used as a substitute for or supplement to purchased gas and is subject to monthly adjustments per thousand cubic feet for increases or decreases for any such cost. The Director of Public Utilities shall calculate the cost of natural gas each month and prepare a pro forma forecast of total gas commodity cost recovery balance for the end of the current fiscal year. The Director of Public Utilities may increase or decrease the purchased gas cost rate during the subsequent month to recover the cost of purchased gas by the end of the fiscal year. The Director of Public Utilities shall promptly notify the Chief Administrative Officer of changes to purchased gas cost rates. In addition, adjustments applicable under the weather normalization clause shall be set for in **City Code Chapter 28 – 106 Utilities**. Per 1,000 cubic feet \$2.92

MINIMUM CHARGE:

The minimum charge shall be **one hundred and twenty-five dollars (\$125.00)** per month plus the billing demand (as identified below).

DETERMINATION OF DEMAND:

The demand may, at the option of the Director of Public Utilities of the City, be determined either by measurement or estimate.

- a) **By measurement** – The demand in any month shall be the highest use of gas in Mcf in any period of twenty-four (24) consecutive hours as measured by the demand meter.
- b) **By Estimate** – The demand in any month shall be taken as 1/20 of the Mcf used in such month

BILLING DEMAND:

The billing demand in any month shall be the higher of:

- a) The demand as determined in such month by measurement or by estimate.
- b) The highest billing demand in any of the preceding months of November through April.

UTILITY TAX:

Bills rendered under this schedule shall be subject to any applicable utility tax.

TERMS OF CONTRACTS:

Contracts for gas service made under this schedule shall be one (1) year and may automatically be renewed from year to year unless cancelled by the customer or the Director of Public Utilities upon thirty (30) days written notice to that effect. Such notice must be given before the beginning of any contract year.

SPECIAL PROVISIONS:

- a) **Restricted Use** – The use of gas by customers under this schedule may be restricted by the Director of Public Utilities whenever necessary to supply customers under the schedules RS and GS.
