Program Overview

This free eight week program is designed to give our customers a better understanding of the services we provide. The program will run once a week for eight weeks. Each session will be held in the evening for three hours. The subjects will be delivered in a fun hands-on environment. Some of the topics that will be covered include:

- Basic First Aid
- Fire Extinguisher Training
- Rappelling
- Vehicle Extrication
- Fire Ground Operations
- Fire Prevention, Investigations, and EMS Overview
- Company Ride Along

Customer Academy Participants

Goal

Goal

The goal of this program is for our graduates to take the lessons learned back to their communities and places of work to assist us in our goal of creating a safer Richmond.

Why We Do What We Do?

Through this program we hope to not only answer, but allow you to actually see why we do some of the things we do.

- Why do we cut up cars?
- Why do so many fire apparatus come to a fire?
- Why does it sometimes seem like we do more damage to a house at a fire?
- Why do some trucks have ladders and some don't?
- Why does a fire truck go with the ambulance?
- What else do you offer besides responding to emergencies?
- What do firefighters do when they are not fighting fires?

When and Where

The program will be held every Thursday from 6:00 pm to 9:00 pm. It will begin on March 22, 2012 and end on May 10, 2012.

The program will have multiple sites to include:

- Richmond Fire Headquarters - 201 East Franklin Street
- Richmond Fire Training Academy - 5600 Beulah Road, Sandston, Virginia
