*For Commercial structures up to 10,000 square feet of floor area and an additional \$0.01 per square foot floor area above 10,000 square feet, not to exceed a maximum fee for \$1,000.00.

INSTRUCTIONS ON FILLING OUT A DEMOLITION PERMIT APPLICATION

At the top right hand corner of the application is a capital D. This is the space where your permit number will be written after you have paid for the permit. There is also a capital B, this is where you will write any building permit number that is associated with the demolition permit application.

Box #1 - This is where you put the number & street address where the work is being done.

Box #2 - This is to be used on multi-story commercial and multi-family residential projects. It can be left blank on single family and duplex permit applications.

Box #3 - This is where you put the name of the contractor doing the work or your name if you are the owner/tenant and are applying for the permit as the owner/tenant.

Box #4 - This is where you put the classification that is your contractor's license such as BLD, H/H.

Box #5 - This is where you put the class of license located on your contractor's license such as A, B, C.

Box #6 - This is your state board of contractor's license number. It will always begin with 2701 or 2705 and be followed by six digits. Do NOT use a license number that begins with 2710 as this is a tradesman card number and does not allow you to apply for a permit.

Box #7 - Contractor's street address.

Box #8 - Contractor's telephone number.

Box #9 - Contractor's city, state and zip code.

Box #10 - Contractor's fax number.

Box #11 - This is where you put the name of the property owner.

Box #12 - This is where you put the property owner's address.

Box #13 - This is where you put the property owner's daytime phone number.

Box #14 - Fill in the current use of the property such as restaurant, single family dwelling, duplex, etc.

Box #15 - Fill in the proposed use of the property such as restaurant, office, duplex, etc.

Box #16 - COST INFORMATION - This is the cost of all labor, materials, overhead, subcontractors and profit. This may be used to determine how much you pay in permit fees.

Box #17 - Give a brief description of the work to be done.

Box #18 - The name of the person to contact if they are questions about the application or drawings.

Box #19 - Fill in the contact person's phone number.

Box #20 - Fill in the contact person's fax number.

Box #21 - Fill in the contact person's complete address.

Box #22 - Fill in the contact person's e-mail, if available.

Box #23 - Check whether or not you would like to be called to pick up the permit. If you check "yes", fill in your name and phone number.

Box #24 - Fill in if submitting drawings done by an engineer or architect.

Box #25 - Fill in the Architect/Engineer's phone number.

Box #26 - Fill in the Architect/ Engineer's fax number.

Box #27 - Fill in the Architect/Engineer's email address.

Box #28 - Is the structure attached to the building on either side of it? If it is mark Attached, if it is not attached then mark detached.

Box #29 - Is there a basement in the building mark Yes or No.

Box #30 - Check Yes or No if this application is for demolishing an Accessory Building.

Box #31 - Is there a well on the property mark Yes or No.

Box #32 - Are there underground tanks on the property mark Yes or No.

Box #33 - Is there a septic system on the property mark Yes or No.

Box #34 - Write the number of stories above ground.

Box #35 - Write the number of square feet per floor.

Box #A, B & C - Fill out the asbestos certification with the Applicant's name, property address and signature if demolishing an existing commercial structure. (This section is not applicable to residential structures of 4 units or less.)
